

Nature Consortium – Urban Forest Restoration Project
West Duwamish Greenbelt

Directions to the trailhead at 14th Ave. SW & SW Holly St. in West Seattle.

By Bus: 14th Ave. SW and SW Holly St., 98106 (**Routes 125 & 128**)

Use [Trip Planner](#) or [Google Maps](#) to find appropriate route from your starting location. Send an email to volunteer@naturec.org if you have further questions. Thanks!

By Car:

- From I-5 or Route 99 (heading north or south):
- Take the West Seattle Bridge exit off either highway.
- From the bridge take the Delridge Way SW/South Seattle Comm. College exit (right hand exit)
- The exit will wind around to the left & turn into Delridge Way, travel south on Delridge to the third light (follow signs to SSCC)
- At light (just past the pedestrian overpass), turn left onto SW Oregon St.
- Follow this hilly arterial street as it winds around and eventually makes a hairpin turn to the right and turns into 16th Ave. SW
- Follow 16th Ave. SW and after ¼ mile SSCC will be on the left hand side.
- Three blocks past the college take a left on SW Myrtle St.
- Take a left on 14th Ave. SW and follow until it ends at SW Holly St. – street parking should be available

(Nature Consortium staff will be there to meet you.)

Directions to the trailhead at the Cooper School/Pigeon Point.

By Bus: 1901 SW Genesee St., 98106 (**Routes 125 & 120**)

Use [Trip Planner](#) or [Google Maps](#) to find appropriate route from your starting location. Send an email to volunteer@naturec.org if you have further questions. Thanks!

By Car:

- From I-5 or Route 99 (heading north or south):
- Take the West Seattle Bridge exit off either highway.

- From the bridge take the Delridge Way SW/South Seattle Comm. College exit (right hand exit).
 - The exit will wind around to the left & turn into Delridge Way.
 - At the first light, turn left at SW Andover St.
 - Turn right at 21st Ave. SW.
 - Turn left at SW Genesee St.
 - Park in the school's parking lot.
 - Our site is behind the school and there is a rainbow Parks and Rec sign at the entrance.
-

The Highland Park Way entrance is for staff, lead volunteers & performing artists

Directions to the trailhead at Highland Park Way SW near the West Marginal Way intersection:

By Bus: West Marginal Way SW and Highland Park Way SW, 98106 (**Route 23**)

Use [Trip Planner](#) or [Google Maps](#) to find appropriate route from your starting location. Send an email to volunteer@naturec.org if you have further questions. Thanks!

By Car:

- From I-5 or Route 99 (heading north or south):
- Take the West Seattle Bridge exit off either highway.
- From the bridge take the Delridge Way SW/South Seattle Comm. College exit (right hand exit)
- The exit will split – Delridge to the left and SW Spokane St. the right – stay to the right and follow the exit towards West Marginal Way
- The road will wind around to the right to a 3-way intersection. West Marginal Way is to the right.
- Once you are on West Marginal Way travel south and the greenbelt will be on your right.
- Continuing traveling south until you see signs for the upcoming freeway entrances, stay in the right hand lane and take a right on Highland Park Way SW.
- The entrance to the greenbelt (a small pull off area) will be about 100 yards up on the right. Nature Consortium staff will meet you here.
