Good morning! Today is Tuesday, November 15, 2011.

Yesterday we made PATTERN friendship necklaces for Rosie to give to Janine. Today, let’s use new PATTERNS to make a crown for Granny Torrelli’s pasta party!

Here is the PATTERN for this crown:

ABCD ABCD AB??

What comes next?

To make your crown, begin by choosing a new PATTERN. Then design and create a crown. Once your crown is complete, label each piece with its value.

What is the value of all of your As?

How about the Bs?

Your whole crown?!

Have fun!
